Foreword

Though time will pass, and we shall part, this book will be an unbreakable link in your chain of memories. And if, when looking through these pages, you re-live the happy days of yester years for just a while, our efforts will not have been in vain.

Thus, we present this book to you; may your hearts be lighter and your lives be happier for the memories it may bring.

THE MUSTANG STAFF '51

Principal's Message

LORETTO HIGH SCHOOL
C. W. Holt, Principal
LORETTO, TENNESSE

Dear Students:

The many achievements made by you, both as individuals and as a group, have caused this to be an outstanding year in the history of Loretto High School. However, these achievements have not resulted from your efforts alone. They have come from the combined efforts of everyone concerned--your fellow students, your faculty members, and members of your community. It is therefore, most important that you continue to live and work together for the common good of all if you wish to attain happiness and success.

This has been a most pleasant year, and it has never been my privilege to work with a more loyal or co-operative group. It is my hope and wish that each of you will continue to find pleasure and enjoyment in the performance of a task well done.

Sincerely yours,

C. W. Holt
