KINDERGARTEN THROUGH EIGHTH GRADE 2024 - 2025 Assessment Information

STATE MANDATED ASSESSMENTS – PURPOSE, USE, and DATES

Universal Screening Grades K-8th, AIMS web, STAR Reading and STAR Math

These benchmark assessments will be utilized to identify students whose performance warrants further investigation. They determine who is likely to need additional assistance to reach grade level performance expectations. Parents will receive notification if the results indicate the child meets the requirements for additional academic support and intervention(s). If the student qualifies for intervention, parents will be notified of the progress every 4.5 to 5 weeks.

Tentative Dates of Administration - Aug. 5 - Sept. 26, 2024

Jan. 6 - Feb. 3, 2025

April 11 - May 16, 2025

TCAP Grades 3-8 (English language arts, Math, Science, Social Studies)

These fully aligned assessments capture the depth and breadth of what students are learning-and have been learning in the classroom every day. The information from these assessments will provide educators, parents, and students with a big picture perspective on how they are progressing academically compared to their peers across Tennessee and better information about a student's strengths, needs and areas of growth.

Window of Administration - Grades 3-5 April 14 - May 2, 2025

Grades 6-8 April 14 - May 6, 2025

TCAP ALT* DLM ELA and Math and TCAP ALT Science And Social Studies

*Available for students with disabilities for whom participation in the regular state assessment is inappropriate, even with the use of extensive accommodations. Parents will receive a detailed report of the student's performance after the completion of the school year.

Window of Administration - March 10 - April 25, 2025 Science and Social Studies

Window of Administration - Sept. 9 - Dec. 20, 2024 and Feb. 3 - May 16, 2025 DLM ELA and Math

ELPA 21

ELPA 21 is used to determine English language proficiency levels. These results will help guide decisions regarding student participation in content area classrooms without program support and state academic content assessments without accommodations. The results also provide school systems with data about the effectiveness of EL programs.

Window of Administration - February 3 - March 28, 2025

DISTRICT MANDATED ASSESSMENTS - PURPOSE, USE, and DATES

Kindergarten Screener

The K Screener is a district developed assessment, comprised of two parts, literacy and math. All kindergarten students will be assessed during the first week of school. Results will be shared with parents at the initial conference during that first week. This test will give the teachers and parents' valuable information to guide instruction, highlighting strengths and areas for improvement.

Window of Administration - Aug. 5 - Aug. 6, 2024

Mastery View Predictive Assessments

These assessments help students demonstrate the skills they possess at key points during the school year. They reflect TDOE's state assessment rigor and ensure students are prepared for the next steps in their academic career. Rigorous questions used will measure students' abilities in writing, critical thinking, and problem solving. The reports generated from scoring will assist teachers in planning instruction and give parents information about academic standards mastery and predict summative outcomes, including weaknesses and strengths.

Universal Screening- Early Warning System

An Early Warning System will be utilized to determine the need for the administration of an AIMS Web assessment. This assessment will help determine if a student needs additional assistance to reach grade level performance. It uses brief, valid, and reliable measures of reading and math performance in grades K-12. Parents will be contacted if an assessment is needed and the results will be shared.

Date of Administration- As needed by the student on an individual basis at the beginning of the school year and at the end.

NAEP (if selected)

The National Assessment of Educational Progress is the largest nationally representative and continuing assessment of what students in the United States know and can do in various subjects. It is administered by the National Center for Education Statistics (NCES), within the U. S. Department of Education.

Window of Administration: Jan. 27 - March 7, 2025

ACT

Beginning with the graduating class of 2018, students enrolled in Tennessee public schools during their eleventh grade year must complete the ACT or SAT prior to graduation (see High School Policy 2.103). The students in Tennessee will have the opportunity to take a college entrance exam in the familiar surroundings of their own school, on a school day, at no cost to them. The test will be administered online.

Window of Administration: Fall Senior Retake - Oct. 1- 4 or 15 - 18, 2024
