

What is a School-Parent Compact?

A School-Parent Compact is an agreement that families, students, teachers, and mentors develop together. It explains how the virtual team will work together to make sure all students reach grade level standards.

Effective Compacts:

- Link goals to the PVA improvement plan
- Focus on student learning skills
- Virtual team's role in developing skills through classroom instruction
- Share strategies families can use while teaching/learning at home
- Explain successful communication between school and home

Opportunities for Partnership

- ✓ Orientation (Instructional Partner)
- ✓ Behavior + Homework + Attendance Log
- ✓ College Night
- ✓ TN Promise and FAFSA Meetings
- ✓ Parent-Teacher Virtual Conferences
- ✓ Skyward (Grade Portal)
- ✓ School Pathways + Canvas (Instructional Partner)
- ✓ Remind App
- ✓ Facebook

Assessments

- **AIMSweb Reading & Math**
- **TNReady:** End of semester/year assessment to measure mastery of grade level skills

Pioneer Virtual Academy

Mission

By providing a rigorous, relevant, state-accredited, technology-based education, Pioneer Virtual Academy prepares students for college and careers through which they will become lifelong learners and contributors to a global society.

In the Classroom & at Home

The virtual team will work with students to support students' success in all academic areas. Some of our main focuses will be:

- Communication between PVA, our instructional partners/mentors, and families
- Providing behavior/homework log weekly
- Individual conferences with parents and mentors, as needed
- Updated school and instructional partner website
- High expectations encouraging students to be the best they can be
- Stay aware of what students are learning
- Providing high quality curriculum and instruction in a supportive and effective learning environment that enables students to meet the state's academic achievement standards

Students

PVA students shared their input with the virtual team to help them to be better learners and successful in their daily goals with all subjects.

Students believe the following ideas will help them with their achievement:

- Read 20 minutes a day outside of the school setting.
- Continued communication with the virtual team about their learning.
- Completing school work in a timely manner.
- By listening, asking questions, and seeking help from teachers/mentors when appropriate.
